Weather Warning

Dear Family

I hope you are well.

Some weather forecasts are predicting snow this week for our area.

In the event of heavy snow, we would always send a text message and email to parents advising them of any school closure and we would signpost any closure on our school website. In the first instance, please check the website.

Some of our staff travel some distance to work at St Bede's and closing the school is sometimes unavoidable.

With every good wish

A handwritten signature in black ink that reads 'Gary Nott'. The signature is written in a cursive style.

Gary Nott
