13 November 2017

To the Families of Year 2 pupils

Dear Families

I hope you are well.

As you will be aware from a previous copy of the Lantern newsletter, assessment week for the pupils has been scheduled for week beginning 4 December 2017. This will be a chance for the children to demonstrate how much they have learnt during this term.

Once we have analysed the assessment data, we will run some practical workshops for maths and reading skills for parents of pupils who might need some extra support at school and at home to reach their targets. These workshops will help give the invitees a greater understanding of how we teach each child at St Bede's. We will write to you at the start of January if you have been invited to attend these workshops.

Thank you to all the families who continue to support their child with their learning, it really does make a difference. Working together is the cornerstone for each child being able to achieve their potential.

I look forward to seeing parents after the Christmas break at the workshop (date to be confirmed).

Yours sincerely

S Brock
