A few final points to note please.

1. Please follow the packing checklist (copy attached) to ensure your child has everything they need. Please remember to send your child in wearing their Leavers' sweatshirt.
2. Please do not send your child with a large suitcase as we will not be able to fit it on the coach. Cases/bags should be no bigger than 80cm/35cm/40cm (90 litres) please.
3. Please note that we include swimming costume/swimming shorts on the packing checklist simply because we have lots of beach walks during the trip and some children can get their clothes very wet! The pupils will not be allowed to swim in the water but may paddle. They will, of course, be fully supervised at all times.
4. Your child should not bring a mobile phone, iPod or any other electronic/electrical gadget with them. We will update the year group blog each evening so that you can see what the children have been doing and what fun they are having! If you would like to look at these photos, please ensure you are aware of your child's frontier log in. We do not allow any phone calls home simply for the reason that this can cause lots of distress and home sickness for the child. **If there is an emergency during the day, please call the school office and they will contact us. If there is an emergency during the night, please call the hotel.**
5. Pupils should not pack any snacks, sweets, treats, etc in their luggage. There is a strict no food/sweets policy in all bedrooms, plus there are other pupils with allergies who may be affected by these treats. The hotel provide plenty of food for the children so they won't be hungry, plus they may use their spending money on whatever they like so can buy a treat to eat in the daytime if they would like one.
6. Please make sure all clothes and money purses, wallets/money bags are marked with your child's name. They may bring up to £25 spending money (suggested £5 per day). We suggest they bring 2 named wallets/purses so that they can leave one at the hotel with the rest of their spending money in it so that they don't have the temptation of spending all their money at once and have none left to spend during the rest of the week! Some families find it useful to divide up the spending money into £5 amounts and put them in labelled, money bags for each day.
7. Please ensure pupils are at school on **Monday 5 June 2017** at **7.30am** for registration and check in for a prompt departure. The front gates will not be open before 7.30am and will be closed again by 7.45am. Please drop your Year 6 child to the hall for registration. If you need to bring siblings with you, please ensure they are fully supervised at all times. Gates open as usual for pupils in other year groups at 8.30am. Once all the Year 6 pupils have been registered, we will exit via the hall so you will have an opportunity to wave your child off. **It is important to note that if your child is not at school in time for departure, it will be necessary for us to leave in order to catch the ferry.**
8. We are expected home at approximately 5pm/5.30pm on Friday 9 June 2017 and are planning to return via Bishops Avenue. We will Groupcall text you if we are experiencing any delays. If your mobile phone number has recently changed, please ensure you inform the school office.

Yours sincerely
