

Shine like a lantern,
in the presence of the Lord.

Together we will respect, achieve
and make good choices.

St. Bede's 2019 – *Meeting increased expectations...*

By 2019, we aim to have:

- supported others on their journey to excellence;
- moved more 'good' teaching to 'outstanding';
- further developed our teaching of reading;
- ensured that disadvantaged children do as well in maths as other children;
- developed our ability to teach arithmetic.
