

Friday 13th July

Dear Families

What a week of sport it has been. And now we have the weekend to further enjoy!

God Bless

Gary

St. Boniface said of St. Bede that 'he shone forth like a lantern.'

The Lantern

Very Important—Medication

Children who have medication in school will need their parent to collect that medication from the School Office on Friday 20th July between 1.15 and 1.45 pm. Please do not forget this very important job. Thank you.

SATS Results

These were published on Tuesday and the children in Y6 will bring home their results today. The school met all its targets and we congratulate the children on a great outcome.

RAF Flypast

The children enjoyed seeing the RAF 100 year fly past on Tuesday lunchtime. What an event! There must have been around 100 planes fly over the school on their way to The Mall. Very exciting.

Children's Reports

Your child brings home their end of year report today. I hope you will find it informative. Should you wish to discuss the report, there will be an opportunity to do so on Monday evening, when we have our annual Open Evening between 4.00 and 5.00pm. Your child's written work will also be available for you to see at this time.

School Meals

We change provider in September. The new menu will be available on line from 20th July. In order that the new contractor can plan, letters have been sent to the parents of children with allergies who are entitled to free school meals. It is most important that these forms are returned **before** the holidays. If they are not, your child will need a packed lunch in September until the form is returned and until the company have had an opportunity to plan for your child. Thank you.

What Children Are Saying This Week

I enjoyed playing at the music concert, which was my last one. I saw my mum crying tears of happiness! I played a trio with Zara and Charlotte, which we practised so hard in order to please everyone.

Georgia

The flypast was so cool because we got to see all different planes. They were all shapes, sizes and colours. The Red Arrows were really fast and they even had coloured smoke too!

Jacob E

I loved Sports Day because this year the winners got rewards. I won a medal.

I enjoyed Sports Day because I got to work as a team with people I wouldn't normally work with.

Bright and Ruthie

Our Zumba classes have been such fun. Our coach has taught us different exercises including stretching, jumping and Flossing too!

Amila

We watched the Y6 Leavers' Production. We didn't like it, we loved it. It was the best performance we have seen at St Bede's. We never thought kids like us could pull off such a professional show like Olivia. We loved the singing and great acting!

Yvonne and Tommy

I am looking forward to seeing my friends at the summer fete, going on the bouncy castles and the slide where I go really fast.

Eadie

Lantern Certificates—Very well done! Abigail D; Aaron; Adriana; Oliver L; Oliver M; Luke O; Logan; Summer; Alfie O; Maxwell; Dylan; Comfort; David P; Krystal; Sean C; Ruby P
