Aims

1. To know the importance of clear and neat presentation in order to communicate meaning effectively
2. To write legibly in both joined and printed styles with increasing fluency and speed by;
 - Having a correct pencil grip
 - Knowing that all letters start from the top, except d and e which start in the middle
 - Forming all letters correctly
 - Knowing the size and orientation of letters

Teaching time

1 x 30 minutes handwriting lesson every Monday.

Daily practise 8.50am – 9:15am

(Please see separate Phonics Policy for EYFS).

Model used

Nelson Handwriting Scheme with the following letter formation

Lower case letters

abcdefghijklmnopqrstuvwxyz

Capitals

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Numbers

1 2 3 4 5 6 7 8 9 0

The Four Joins

- to letters without ascenders
- to letters with ascenders
- horizontal joins
- horizontal joins to letters with ascenders
- The break letters (letters that aren't joined from) are b g j p q x y z s

abcdefghijklmnopqrstuvwxyz

At St Bede's we will progress to a fully joined font when the children are ready.

abcdefghijklmnopqrstuvwxyz

NB children must be taught individual letters first so that they see them as individual units BEFORE learning to join.

Teaching Sequence

- Hand and finger strength
- Physical preparation
- Tracing
- Patterns
- Over teacher's writing (highlighter)
- Under teacher's writing (directly under words – write in large letters, leave large space between words)
- Independence

Techniques for teaching letter formation

- Model good handwriting all of the time
- Demonstrate
- Talk through the process
- Encourage children to verbalise the process
- Children form letters in the air
- Finger trace over tactile letters
- Write over highlighter pen (or dotted letters)
- Draw round templates
- Write in sand with finger or stick
- Write with chalk on chalkboard
- Wax resist letters
- Form letters with pegs on pegboard

- Form letters with beads in plasticine
- Finger trace the outline of letters on the back of the person in front of you

Getting ready to write

Seating and posture

- Chair and table should be at a comfortable height
- The table should support the forearm so that it rests lightly on the surface and is parallel to the floor
- Encourage children to sit up straight and not slouch
- The height of the chair should be such that the thighs are horizontal and feet flat on the floor
- Tables should be free of clutter
- Rooms should be well lit
- Left handed pupils should sit on the left of their partners

Pencil grip

- Children should write with a pencil (or pen when introduced at the appropriate time) with a rounded nib. Pencils should be reasonably sharp.
- A tripod grip is the most efficient way of holding a pencil

For right handers

- Hold lightly between the thumb and forefinger about 3 cm away from the point
- The paper should be placed to the right tilted slightly to the left
- Use the left hand to steady the paper

For left handers

- Hold lightly between thumb and forefinger resting on the first knuckle of the middle finger
- Hold about 3cm from the tip
- The hand should be kept below the writing line
- The paper should be tilted slightly to the right at about 20 - 30°
- Use the right hand to steady the paper

NB It is very important that a right handed child is NOT seated on the left hand side of a left handed child as their elbows will collide!

Assessment

Phase leaders in team meetings and senior leaders should monitor children's writing and presentation in books regularly (at least termly). The following should be considered:

- Is the writing generally legible?
- Are the letters correctly shaped and proportioned?
- Are the joins made correctly?
- Are the spaces between the letters, words and lines appropriate?
- Is the size of the writing appropriate?
- Is the writing properly aligned?
- Are the writing standards achieved by the majority of pupils in line with the National Curriculum?

Individual assessment

Children should be observed as they write during handwriting lessons – the teacher must circulate, monitor and intervene. Teachers also need to monitor and mark whole pieces of writing. The following should be considered:

- Is the posture correct?
- Does the child hold the pencil correctly?
- Does the child use the correct movement when forming and or joining letters?
- Does the child write fluently and rhythmically?
- Is the writing easily legible?
- Is the pupil's handwriting development in line with the Level Descriptors in the National Curriculum.

Links to spelling

Linking handwriting with spelling is one of the most powerful ways of developing the visual memory. Handwriting should be practised using letters, blends, strings or digraphs so that patterns are internalised.

Remember to use Look – Say – Cover – Write – Check

The child:

Looks at the word carefully

Says the word

Covers the word so that it can't be seen

Writes the whole word from memory

Checks the word is written correctly

If not, repeat.
