Geography

Around our school – The local area

The children will be learning about aspects of local features, how land in the area is used and environmental issues which affect the local area.

Where in the world is Barnaby Bear?

The children learn about features of other countries and their landmarks. Barnaby Bear uses different modes of transport to travel to different places around the world.

History

Homes

The children will be learning the similarities and differences between today and homes in the past. Features of buildings, household objects and stories about home life are used to enable children to develop criteria to distinguish old from new, and to learn about life at the time beyond living memory.

Art/DT

Self Portraits

The children make a self-portrait to communicate ideas about themselves. They talk about images of children in drawings, paintings and photographs and artists' self-portraits. They investigate a range of drawing materials and techniques and learn how to mix and use colour in a painting.

Moving Pictures

The children will explore the sliding and pop-up mechanism used in books. They will use these mechanism to design a simple poster and celebration cards.
