

ST BEDE'S CATHOLIC PRIMARY SCHOOL & NURSERY

UNIFORM INFORMATION BOOKLET

“Shine like a lantern in the presence of the Lord.”

Thank you for working in partnership with us by supporting our uniform requirements.

If you have any queries, please write to your child's class teacher or speak to the office staff.

Why does the school insist on all pupils wearing the same school uniform?

Our school uniform is very important to us. It is one way in which we identify ourselves as a school family and it promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school, and it enhances security, assisting the school to identify individual pupils in order to maintain good order.

Where can I buy my child's uniform from?

We have two uniform shops which sell our official uniform items:

Lucilla's, Cranbrook Road, Ilford (0208 554 5133) – on-line via <http://www.lucillaschoolwear.co.uk/>; and

Rupens, Meads Lane (off Barley Lane) (0208 590 3734)

Do I have to buy it from there?

In order to comply with our uniform policy, please purchase items from one of our official suppliers. If you do want to purchase items from elsewhere, you must either first visit the official shops and view the items or see the photos on our school website to ensure they are the same as the ones you would like to purchase.

What will happen if my child's uniform does not comply with the uniform requirements?

A polite reminder will be sent home and you will be expected to replace the items which do not adhere to our uniform policy. If you are in any doubt with regard to the items you need to purchase, please either write to your child's class teacher or speak to the office staff. As indicated above, we have photographs of the correct uniform on our school website. If the problem is not rectified by the parent, the child will be taught in isolation until it is. The school decides what is acceptable or not.

Years Reception to Year 6 - please send your child to school with a sports style, pull top water bottle every day. The bottle should be refilled with fresh water each morning at home. This will ensure your child remains hydrated throughout the day.
