

Maths

We will be continuing to develop our place value knowledge and our addition and subtraction skills. We also will be looking at measurement of lengths.

English

We will be using Charlie Cooks Favourite Book and The Big Story. The children will be using their imagination to create their own stories and character profiles.

RE

We will be focusing on learning about Judaism and Waiting.

Science

We will be exploring the human body focusing on the five senses.

PSHE

We will be celebrating differences, focusing on similarities and differences with others in our class.

History

We will be exploring my family history. Taking a close look at what life was like for Grandparents, in comparison to life in present day.

My Family History

Year 1

Autumn 2 - 2022

Computing

We will be focusing on becoming TV chefs. Learning all about algorithms and the importance of clear instructions.

DT

We will exploring difference fruits and vegetables, making our very own fruit salads.

PE

We will be developing on our gymnastic skills.

Music

We will be exploring festivals and other celebrations such as Bonfire Night and Christmas, and the music linked to these.
