

Maths

We will be focusing on our reasoning skills using RUCSAC to develop our skills and understanding of a wide range of word problems.

English

We will be using The Boy at the Back of the Class as our stimuli to write a diary entry focusing on diversity. We will also be writing a narrative for The Bear and The Hare

RE

We will develop our understanding of Vocation and Commitment – how others show their commitment to beliefs and value through service and also the topic of 'Expectations' where we will make links between scripture of religious belief in Advent and celebration in Judaism..

Science

We will be studying Living Things and their Habitats focusing on how and why things are classified into groups.

PSHE

We will be Celebrating Differences by understanding there are different perceptions of being normal and how being different can affect lives.

History

We will be exploring the world of the Maya civilisation both today and in ancient times. We will consider the issues faced when studying a culture which has limited evidence available.

Celebrating Difference Year 6

Autumn 2 - 2022

French

We will be learning regular verbs and how to understand the concept of verb stems and endings.

Computing

We will be developing project management skills by designing a theme park using a budget on an Excel spreadsheet.

DT

We will study Programming Pioneers where the children will learn to create and debug our own computer controlled product.

PE

We will be developing our hockey and gymnastics skills

Music

We will be developing our: L
