

Maths

We will be focusing on our arithmetic skills including place value and calculations involving the four operations.

English

We will be using Street Child as our focus text to inspire our writing of an informal letter and a non-chronological report.

RE

We will develop our understanding of the scripture, beliefs, feelings and experience of God's unconditional love and make links between them.

Science

We will be studying the heart, the blood vessels and why it is so important to stay healthy.

PSHE

We will be identifying goals for the year, understanding fears and worries about the future and knowing how to express them.

Geography

We will be exploring The Amazon and its geographical features, also looking at human geography in this area of the world.

Victorians

Year 6

Autumn 1 - 2022

French

We will be learning to understand and recognise masculine and feminine vocabulary.

Computing

We will be learning how to use a range of digital devices and to understand how to analyse and evaluate data and information.

Art

We will study how to identify different ways to express ourselves through art and design.

PE

We will be developing our dance skills focusing also on the importance of precision, control and fluency in response to stimuli.

Music

We will be developing our ability to play rhythms and melodies in time with a steady beat and with awareness of others' parts.
