

Maths

In our Maths lessons, children will be working on their understanding of place value within addition, subtraction, multiplication and division, angles within a range of shapes and fractions (mixed and improper).

English

In our English lessons, children will be reading the story; Twelfth Night by William Shakespeare, as our focus text to inspire our writing styles; a play script and a newspaper report.

RE

In our RE lessons, children will be able to make links between the scripture stories of Holy Week and the Temptation in the desert and how Christians observe the season of Lent.

Science

In our Science lessons, children will be able to describe the changes that affect humans from birth to old age and record data and results using scientific diagrams and labels.

PSHE

In our PSHE lessons, children will be able to identifying a career they may like to do when they grow up and understand children in different cultures and countries have different opportunities to us.

Geography

In our Geography lessons, children will be able to locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.

Dreams & Goals

Year 5

Spring 2 - 2023

French

In our French lessons, children will be able to name the most famous Roman inventions and understand key facts about the ancient history of Rome in French.

Computing

In our Computing lessons, children will be able to understand some elements of how search engines select and rank results and use shared systems safely and responsibly.

Art and Design

In our Art lessons, children will be able to identify aspects of Mexican culture in Frida Kahlo's artwork and apply general proportions of a face to complete a self-portrait.

PE

In our PE lessons, children will be able to refine and further develop a variety of running, jumping and throwing techniques; setting targets and monitoring progress as well as preparing for and recovering from athletic performances.

Music

In our Music lessons, children will be able to combine sounds in a range of different ways to achieve different effects.
