

Maths

We will be working on compare and order 2-digit numbers and say a number between two numbers. We will also continue to work on counting in multiples of 2s to 20.

English

We will be reading a new book called 'Last Stop on Market Street,' with a focus on descriptive writing. Following this the children will be reading 'Phileas Fortune,' with a focus on persuasive writing.

RE

We will be focusing on holidays and Holydays, focusing on retelling the story of Pentecost and the symbols associated with Pentecost. This term, children will also learn about Hinduism and recalling the story of Ganesha.

Science

We will be learning all about seasonal changes. We will be observing and describing weather associated with the seasons.

PSHE

We will be learning more about relationships. Looking closely at the different roles within families. We will also explore the friendships they have and what makes a good friend. We will also look at strategies that can be used to mend friendships.

Geography

This term we will be investigating animals and their habitats. We will be using a world map to identify the world's seven continents and five oceans. Following this, children will be able to identify where their favourite animals live.

The Earth

Year 1

Summer 1 - 2023

Computing

We will be focusing on understanding how technology can be used to create digital content.

Art and Design

We will be exploring Earth Art, focusing on printed images and how they can be used to tell stories. We will be learning the skill of weaving.

PE

We will be looking and rocking and rolling actions – moving in different body shapes as well as linking these actions

Music

We will be exploring the topic of summer festivals, understanding that music can be used to describe places, objects and characters.
