

Maths

We will be focusing on our spinning our arithmetic plates as well as developing our reasoning, particularly with units of measurement.

English

We will be learning how to write recounts. We will write our own instructions for a 'Marvellous Medicine.'

RE

We will be focusing on the Easter story in our topic of 'Opportunities.' We will be learning all about Lent and the events leading up to Easter.

Science

We will be exploring plants and the conditions required for healthy plants to grow.

PSHE

We will be exploring healthy eating and how we can maintain a healthy lifestyle.

History

We will be travelling back to the 1950s where people went to the seaside on their holidays.

Living Things

Year 2

Spring 2 - 2023

Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

Computing

We will be learning how to use the internet to research information safely and efficiently.

Design and Technology

We will be looking closely at how windmills work and use this study to design and make our own.

PE

We will be exploring 'Magical Friendships' through movement and dance.

Music

We will explore other dimensions and use a range of vocal and instrumental sounds to compose music representing stories, weather and feelings.
