

Maths

We will be continuing to focus on our spinning our arithmetic plates as well as developing our reasoning, particularly with worded problems.

English

We will be looking closely at Eva Hart's journey on Titanic. We will be using her story to write an informal letter about the historic event.

RE

We will be exploring the message of Pentecost and how the apostles spread the Good News, appreciating the treasures of the world and community in Journey in Love.

Science

We will be exploring the different stages of the life cycle of animals and humans.

PSHE

Linking in with our Science topic of life cycles, we will be exploring how we have changed since we were little.

History

We will be learning all about significant people in history that belong to our local area.

Our Local Heroes

Year 2

Summer 2 - 2023

Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

Computing

We will developing an understanding of how animations. In small groups, we will creating our own short films of animation.

Design and Technology

Children will be designing a moving monster using levers, linkages and pivots whilst ensuring it appeals to their target audience. They will be selecting the materials needed to bring their monster designs to life.

PE

We will be revisiting games this term, working on our throwing and catching skills.

Music

We will be using instrumental and vocal sounds to represent places, characters and moods.
