

### Maths

We will be focusing on our arithmetic skills, in particular multiplication, division and fractions.

### English

We will be using Traction Man to write a narrative that captures the reader's attention and we will explore a character's thoughts and feelings when through the eyes of Jamela and her dress.

### RE

We are learning about New Beginnings; the Creation Story and how we can reflect and be grateful for our place in the world through prayer.

### Science

We will be exploring everyday materials; investigating their suitability and ways they can be manipulated.

### PSHE

We will be developing a better understanding of ourselves in the world around us; our hopes, fears, rights and responsibilities.

### History

We will be learning about significant people from our local area and how they had an impact on the community.

# Significant People

## Year 2

### Autumn 1 - 2023

### Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

### Computing

We will be learning to understand the risks associated with sharing personal information online and how to make informed choices.

### Art and Design

We will explore the formal elements of art: pattern, texture and tone.

### PE

We will be developing our dance skills, focusing on travelling and action movements – telling the story of the Great Fire of London.

### Music

We will be developing our ability to keep a steady beat/pulse and play and create rhythm patterns using voices, body percussion and instruments. They will learn to distinguish the difference between beat and rhythm.
