

Maths

We will be developing skills of place value, arithmetic and telling the time.

English

We using Charlie and the Chocolate Factory to exploring the characters thoughts by writing a diary entry and a set of instructions.

RE

We will be learning about how Christians live as people chosen by God and what makes a home. We will also explore the Baptism of Jesus.

Science

We will be carrying out practical experiments making predictions, testing different variables and recording results.

PSHE

We will identify positive things about ourselves and how our actions impact others.

History

We will investigate the local area and consider which buildings are of significance and should be preserved.

Local History

Year 3

Autumn 1 - 2023

French

We will be learning four French phonemes, facts about France, basic greetings, numbers and colours.

Computing

We will be exploring how to stay safe online, understanding the consequences of sharing without consent and who to go to for help.

Art and Design

We will be looking at the formal elements of art: shape and tone using everyday objects and practicing shading neatly

Design and Technology

We will design and make a castle out of recycled materials. We will evaluate work making comparisons to the original design.

PE

We will be developing dance skills by focusing on traveling and making shape. We will create a routine based on Space.

Music

We will be reading creating beats and rhythms using instruments and clapping.
