

English

We will be using our guide text, Fantastic Mr Fox, to write a narrative to retell the story in our own words alongside using persuasive language to try and help Mr Fox and the farmers end their hostilities.

RE

The children will study how God plays a pivotal role in our lives, the role of the people important to us as well as the gifts he brings us.

Science

We will be looking at varying states of matter and how this impacts the various uses regarding how liquid, solid or gas may be used.

History

We will be looking at the Romans and their invasion and settlement in Britain.

Computing

The children will look at how to create, design and implement a piece of software to meet the needs of the end user.

Maths

We will be focusing on our arithmetic skills, in particular accurately recall of timetables.

Design and Technology

The children will use a range of materials to design and make a car with a working slingshot mechanism.

PSHE

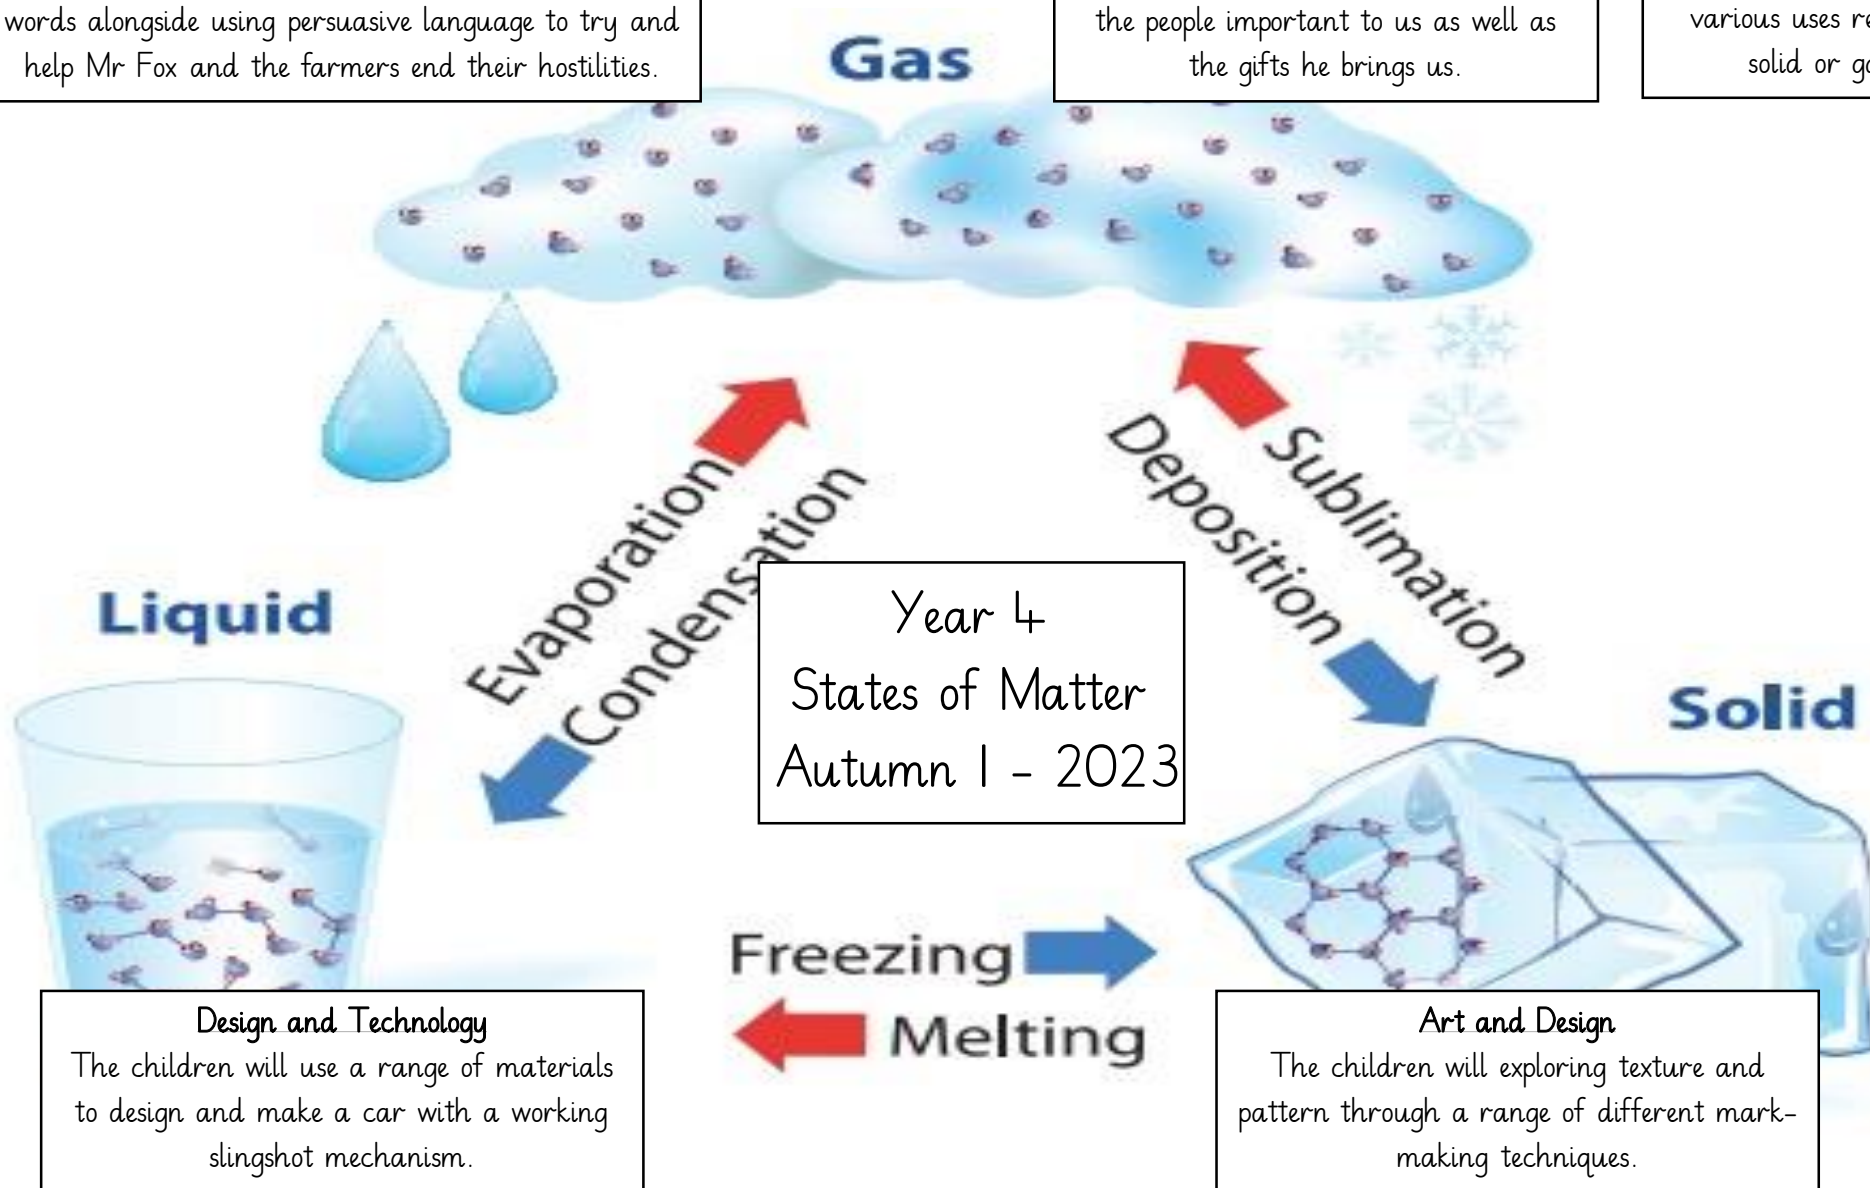

We will be looking at the choices we make as individuals as how this influences the world around us.

Music

We will be listening to and creating our own cultural beats, focusing particularly on rhyme.

PE

We will be looking at movement and how to represent different emotions through this.

Year 4
States of Matter
Autumn 1 - 2023

Art and Design

The children will explore texture and pattern through a range of different mark-making techniques.
