

### Maths

In our Maths lessons, children will be able to work on developing their skills in the four operations whilst using place value.

### English

In our English lessons, children will be using The Twits as our focus text to inspire our writing styles; a diary entry and a persuasive letter.

### RE

In our RE lessons, children will be able to make links between their beliefs about talents and qualities, how they use them and how it affects others.

### Science

In our Science lessons, children will be able to compare and group together everyday materials based on their properties.

### Music

In our Music lessons, children will be able to understand the importance of rhythms and parts being played within a steady beat.

### History

In our History lessons, children will be able to explore the world of the Anglo-Saxons. They will consider why they came to Britain and whether the period deserves to be called the 'Dark Ages'.

# Being me in my World

## Year 5

### Autumn 1 - 2023

### PSHE

In our PSHE lessons, children will be able to discuss their rights and responsibilities as a citizen of our country.

### French

In our French lessons, children will be able to recognise the essential French phoneme patterns within words and repeat, recognise and attempt to spell the eight nouns for pets in French.

### Computing

In our Computing lessons, children will be able to use technology safely, respectfully and responsibly; recognise correct behaviours and identify a range of ways to report concerns about content and contact.

### Art and Design

In our Art lessons, children will be able to draw from observation, create a print and draw from different perspectives. They learn about the role of an architect and are challenged to consider why houses look the way they do and if there is scope to change and improve them.

### Design and Technology

In our DT lessons, children will explore circuits, investigating how to problem-solve and work out how the product has been constructed, ready to develop their own.

### PE

In our PE lessons, children will be able to develop their dance skills and perform the actions of gesture and travel which express different actions/emotions.
