

### Maths

We will be focusing on our arithmetic skills including place value and calculations involving the four operations.

### English

We will be using Street Child as our focus text to inspire our writing of an informal letter and a non-chronological report.

### RE

We will develop our understanding of the scripture, beliefs, feelings and experience of God's unconditional love and make links between them.

### Science

We will be studying the heart, the blood vessels and why it is so important to stay healthy.

### PSHE

We will be identifying goals for the year, understanding fears and worries about the future and knowing how to express them.

### French

We will be learning to understand and recognise masculine and feminine vocabulary.

### History

We will explore and research and compare the impact of the First and Second World Wars on our locality. We will also research around the local community to gather or check evidence on how our area was affected during both wars.

# Victorians

## Year 6

### Autumn 1 - 2023

### Music

We will be developing our ability to play rhythms and melodies in time with a steady beat and with awareness of others' parts.

### Computing

We will study how to use technology safely, respectfully and responsibly; to recognise acceptable/unacceptable behaviour and identify a range of ways to report concerns about content and contact.

### Art and Design

We will be developing design, drawing, craft, painting and art appreciation skills and exploring the work of Edward Hopper.

### PE

We will be developing our dance skills focusing also on the importance of precision, control and fluency in response to stimuli.

### Design and Technology

We will be developing our ability to design and build structures using 3D shapes..
