

Autumn Fun!

Nursery

Autumn 2 - 2023

Understanding of the World

We will begin to learn how we can respect and care for the natural environment and all living things and why this is important.

We will learn about what happens to some animals in the lead up to winter and what hibernating means.

We will use our senses when exploring natural resources in the world around us.

Expressive Art and Design

We will paint an autumn tree and create a hedgehog using our cutting and sticking skills. We will use our collection of leaves to create a picture. We will learn about the different colours and how we can mix them.

Mathematics

We will build on our understanding of numbers (1-5). We will begin to learn about 2d shapes. We will explore different ways to measure.

Physical Development

We will build on our gross motor and fine motor skills. Through kicking a ball, pedalling a bike and using one handed tools safely.

Communication and Language

We will join in with repeated phrases when listening to stories. We will sing a large repertoire of songs.

Literacy

We will mark make and give meaning to what we have created. We will begin to write some letters independently.

Personal, Social and Emotional

We will play with one or more person and extend and elaborate our play ideas.

RE

We will explore their experience of waiting for a birthday and relate it to Advent and the birth of Jesus.
