

Maths

We will be focusing on our arithmetic skills, in particular multiplication, division and fractions.

English

We will be using 'The King Who Banned the Dark' to learn about persuasive language and we will explore the life of Eva Hart through writing a non-chronological report.

RE

We are learning about Judaism, particularly in regard to the Sabbath and how it is celebrated. We will then learn about Advent and how it is a time of preparation.

Science

We will be exploring growth through the life cycles of a small range of animals and the changes that happen as they grow.

PSHE

We will be developing a better understanding of the similarities and differences we have with each other and learning about what making assumptions and creating stereotypes means.

Geography

We will be learning about the seasons and how we can identify seasonal and daily weather patterns in the United Kingdom.

Where are we From?

Year 2

Autumn 2 - 2023

Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

Computing

We will be learning how programming applications can be given commands to produce specific effects on the screen.

Art and Design

We will explore the ancient art techniques of the Australian Indigenous peoples; including cross-hatching and dot style painting.

PE

We will be developing our fundamental movement skills through creating short movement phrases by linking positions of stillness to other actions.

Music

We will be developing our ability to describe and play sequences of long and short sounds and that different symbols represent different durations of sounds.
