

Maths

We will be continuing to develop our place value knowledge and our addition and subtraction skills. We also will be looking at 3D shapes and their unique properties.

English

We have started reading a new book called 'The Colour Monster'. We will be writing a news report. We will then move onto read 'The Day the Crayons Quit' and write a narrative.

RE

We will be focusing on Special People and significant meals. We will be exploring our feelings about the special people in our lives and communities.

Science

We will be learning all about animals. We will be learning all about reptiles, amphibians, mammals and fishes. We will explore the key terms carnivore, herbivore and omnivore.

PSHE

We will be learning more about our Dreams and Goals. Focusing closely on identifying how we feel when we are faced with new challenges and how we can tackle them.

Geography

This term we will be learning about People and their Communities. Looking closely at naming and locating the world's seven continents and five oceans.

People and Their Communities

Year 1

Spring 1 - 2023

Computing

We will be focusing on becoming digital painters. We will be creating and illustrating our own eBook.

Art and Design

We will be exploring African Art. We will be looking at different patterns, shapes and colors used. We will be making a water jar.

PE

We will be developing our skills developing control and co-ordination in large and small movements, moving confidently in a range of ways, safely negotiating space and handling equipment effectively.

Music

We will be exploring pitch, people and their communities. Looking closely at making and describing high and low pitched sounds.
