

Maths

We will be focusing on our spinning our arithmetic plates as well as developing our reasoning, particularly with units of measurement.

English

We will be using 'Matilda' to write an OFSTED-style report and then writing a narrative inspired by 'Journeys'

RE

We are developing our understanding of the Bible and the stories within it, including a focus on the Last Supper where we will learn about the Eucharist and giving thanks to God.

Science

We will be exploring what living things need to survive; in particular developing our understanding of how animals and plants obtain their food.

PSHE

We will be exploring setting realistic goals and reflecting on how we can achieve them, with support from others.

Geography

We will be exploring how we source the food we eat at home and school.

Journeys

Year 2

Spring 1 - 2023

Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

Computing

We will be learning how to use a digital camera to take and review photos as well as developing our ability to store, manipulate and retrieve digital content.

Art and Design

We will be using the work of Henri Rousseau to inspire our own painting of landscape and portraits.

PE

We will be developing our fundamental motor skills through participating in small games.

Music

We will be developing our ability to identify changes in pitch as well as using written symbols to reflect these changes.
