

Understanding of the World

We will explore similarities and differences animals from the past. We will learn how to respect and care for all living natural things.

Expressive Art and Design

We will Children will know how to use different techniques to make 3D models.
Use of props to develop role play narratives and stories.

Communication and Language

We will use talk to help work out problems and organise thinking. We will broaden our vocabulary through different texts from fiction and non fiction books.

Literacy

We will continue to practise blending level 2 and 3 sounds into words, so that they can read short words and sentences. We will practise segmenting to write short phrases using good letter formation.

All Creatures Great and Small.

Reception

Spring 2 - 2024

Mathematics

We will begin to develop a recall of number bonds to 5, We will continue to explore 3D and 2D shapes learning how to compose and decompose a shape, recognising a shape within a shape.

Physical Development

We begin to develop balance skills by using a range of small and large apparatus. We will continue to develop cutting skills.

RE

We will learn about growing in spring and how Lent is a time to grow to be more like Jesus as we look forward to celebrating Easter.

Personal, Social and Emotional

We will develop an understanding that we do not always need an adult to remind us of the rules. We will learn how to talk to others to solve conflicts.
