

Maths

We will be working on fractions, number facts including doubles and halves. We will then focus on units of time, place value and money.

English

We will be reading 'On a Magical Do Nothing Day' where we will explore writing a letter.

RE

We will be focusing on Change, recognising the stories of Palm Sunday, Good Friday and Easter Sunday as religious stories and retell them.

Science

We will be learning all about plants. Looking closely at the different parts of a plant and different types. Investigating further the conditions needed for healthy plant growth.

PSHE

We will be learning more about Healthy Me, exploring the difference between healthy and unhealthy and identifying what we can do when we are feeling poorly.

People and Their Communities Year 1

Spring 2 - 2024

Computing

We will be focusing on iDraw where we will be using a computer and knowledge of shapes to create images.

Geography

This term we will be learning about People and their Communities. Looking closely at naming and locating the world's seven continents and five oceans.

PE

We will be developing our skills in dance. Exploring how to move in a controlled manner, at different speeds and directions. Responding to a range of stimuli and accompaniments.

Art and Design

We will be exploring Sculpture and 3D: Paper play. We will learn to fold and roll paper to make a 3D sculpture.

Music

In music we will be explore making sounds with our voices, body and percussion instruments.
