

### Maths

We will be focusing on our reasoning skills, in particular measurement; including time, money and length.

### Geography

We will be looking at how our food gets to our table, especially food that is produced within the UK.

### RE

We are learning about the events of Holy Week and Easter; highlighting that Lent is an opportunity to choose to do good and explore ways of helping others.

### Science

We will be observing how seeds and bulbs grow into plants by performing fair tests and comparing their growth under different conditions.

### PSHE

We will be developing a better understanding of what our bodies need to stay healthy.

### English

We will be focusing on writing poetry, inspired by the picture book 'Gorilla'. We will look at grammar features such as similes, alliteration, onomatopoeia and be able to move from using generic nouns to specific nouns (e.g. dog to terrier)

# Journeys

## Year 2

### Spring 2 - 2024

### Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

### Computing

We will be learning to animate a short stop-frame sequence, emphasising the importance of using a storyboard to plan our ideas.

### Art and Design

We will explore 3D sculptures, using clay. We will refine our clay techniques and explore how we can decorate a clay surface.

### PE

We will be developing our sense of movement by collaborating to express friendships through dance.

### Music

We will be developing our ability to use voice and body percussion sounds and instruments expressively and compose descriptive music.
