Our Environment
Year 6
Spring 2 - 2024

Maths
In our maths lessons we will be spinning arithmetic plates and continuing to focus on strengthening our reasoning skills.

English
We will be writing a news report based on Protecting the Environment and also a Preface & Fact file using Percy Jackson & The Lightening Thief as our focus text.

RE
In our topic of 'Unity' we will exploring our own and others' experiences and feelings about friendship and unity; We will be also be learning about 'Death and New Life' as we progress through the season of Lent.

Science
We will be studying the topic of 'Looking after our Environment' – learning about ways to reduce landfill and energy consumption also focussing on what happens when fuels are burnt.

PSHE
During our topic of 'Healthy Me' we will be learning about substances which have an unhealthy impact on the body and mind; and how we can make the right choices to stay healthy.

Geography
The children will be studying the topic of 'Protecting the Environment', exploring the threats to our planet and the ways in which we can improve our planet for the future.

French
We will be learning about 'The Planets' names of the planets in our solar system and also interesting facts about at least 4 of the planets.

Computing
We will be learning about creating spreadsheets and how these can be created and used to store a variety of data types.

Design Technology
We will learn to design a steady hand game, identifying and naming the components required.

Art & Design
Our topic will be 'Sculpture and 3D': Making Memories. We will be learning how shape and space can support creating effective composition.

PE
In our PE lessons we will be focussing on Athletics. We will be learning how to refine, develop and improve performance in various disciplines.

Music
We will be learning about 'Composing for stories'. We will learn to identify musical dimensions that can be used to effectively create themes and motifs, and represent characters, moods and emotions;
