

Maths

We will be working on compare and order 2-digit numbers and say a number between two numbers. We will also continue to work on counting in multiples of 2s to 20.

English

We will be reading a story called 'Phileas Fortune, with a focus on writing a diary entry. We will be exploring the key grammatical features that you need in diary writing.

RE

We will be focusing on holidays and Holydays, focusing on retelling the story of Pentecost and the symbols associated with Pentecost. This term, children will also learn about different aspects of Islam and that Mohammed is a prophet who is special to Muslims.

Science

We will be learning all about seasonal changes. We will be observing and describing weather associated with the seasons.

PSHE

We will be learning more about relationships. Looking at ways that special people in our lives keep us safe. We will also be identifying ways that behaviours can affect those around us.

History

Children will be learning all about great inventions, with a particular focus on the stories of two significant events in the history of travel. We will learn about the first aeroplane flight.

Rhythm and Beats

Year 1

Summer 1 - 2024

Computing

We will be focusing on guiding a programmable toy to where they want it to go and use a word processor to create simple text.

Art and Design

We will be exploring primary and secondary colours. We will also be experimenting with the process of weaving.

PE

We will be looking and rocking and rolling actions – moving in different body shapes as well as linking these actions

Music

We will be exploring the topic of summer festivals, understanding that music can be used to describe places, objects and characters.
