

### Understanding of the World

We will develop an understanding of the effects of the changing seasons. Recognise that people have different beliefs and celebrate special times in different ways.

### Expressive Art and Design

We will work collaboratively with peers to create a story to develop role play. We will start to understand and use musical vocabulary (musical dimensions). We will continue to explore model making.

### Communication and Language

We will ask and answer questions to help develop understanding. We will offer observations on learning using of recently introduced vocabulary.

### Literacy

We will read words and sentences with increased fluency. We will continue to practise blending skills to read words. We will practise writing sentences with increasing independence reading back what they have written to check that it makes sense. Continue to develop letter formation.

## Not all heroes wear a cape Reception Summer 2 - 2024

### Mathematics

Children will develop skills in addition and subtraction with 20. Children will continue to develop an understanding of number composition and recall number bonds to 5 and begin to recall bonds to 10. We will explore patterns within numbers.

### Physical Development

We will develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. We will learn how to work in a team.

### RE

We will explore the Good News of Pentecost, the wonder of our beautiful world and Journey in Love

### Personal, Social and Emotional

Children will know how to resolve a problem by talking it through with a friend or adult.
