

English

Children be reading a wonderful story called 'Cinnamon,' This term the children will be focussing on writing a narrative.

Maths

Children will be continuing to enhance their number and place value knowledge. Focussing on comparing and ordering 2 digit numbers, identifying patterns on a 100 square grid.

Geography

This term we will be investigating animals and their habitats. We will be using a world map to identify the world's seven continents and five oceans. Following this, children will be able to identify where their favourite animals live.

PSHE

Children will be learning about ways they have changed since being a baby and how to handle and prepare for different emotions and feelings.

Art and Design

We will be learning a new skill of weaving and exploring work from Cecilia Vicuna.

Materials

Year 1

Summer 2 - 2024

Science

Children will be learning about everyday materials, exploring uses of materials and how they are used to create a variety of furniture.

Computing

Children will explore that text can be created in different ways by using word processing to create a text. They will gain a knowledge of opening and saving a document and to understand the value of using word processor.

PE

Children will work through a series of activities which challenge their teamwork, trust, communication, co-operation and problem solving skills in small and large groups.

Music

Children will be exploring composition and graphic scoring by using classroom instruments to understand how sound changes. They will be learning how to create descriptive sounds using body percussion, voice and instruments.

RE

Children will be learning about being sorry and will explore families in journey in love.
