

Maths

We will be continuing to focus on spinning our arithmetic plates as well as developing our reasoning skills, particularly with worded problems.

Geography

The heart of our project, we will be learning about what a 'wonderful' location is and why it might be special.

RE

We will be learning about special stories about creation and the treasures in God's world, as well as how we are apart of God's community

Science

We will be exploring life cycles of a variety of animals, making observations and drawing conclusions from these.

English

We will be exploring writing a newspaper report to chronological events based on the text 'The Smeds and the Smoos'. We will be focusing on spinning our grammar plates as well as looking at the key features of a newspaper report.

What a Wonderful World

Year 2

Summer 2 - 2024

PSHE

We will be learning about the human life cycle, highlighting the particular changes that happen throughout a human's life.

Phonics

We will be focusing on spelling patterns which will be supported through our weekly spelling.

Computing

We will be learning to write a blog! They will learn new and exciting ways to present information and work toward the goal of taking over the Year 2 Weekly Blog!

Art and Design

We will build on our craft and design skills through the use of textiles, in particular wool and printing tiles.

PE

We will be working on our teamwork skills through a series of problem solving tasks.

Music

We will be exploring pitch and performance; using music to describe emotions, places, objects and characters.
